RE: Windsor Castle Virtual Visit - Tuesday 13th January

We are delighted to let you know that our class will be taking part in a virtual workshop with Windsor Castle!

This exciting initiative gives schools the opportunity to enjoy an interactive session led by a member of the Windsor Castle Learning Team, using video conferencing. During the workshop, the children will discover fascinating facts about Windsor Castle and the people who have lived there over the last 1,000 years.

The session will include engaging activities, interesting stories, and plenty of opportunities for the children to ask questions during a special Q&A session at the end.

The cost of the workshop is **£3** per child, which can be paid through your ParentMail account. The deadline for payment is 6th January 2026

We are thrilled to offer this unique learning experience, which brings history to life from the comfort of our classroom. It will help the children develop their understanding of British history and heritage in an enjoyable and memorable way.

Thank you for your continued support.

Yours faithfully,

Miss M Neve
Phonics Lead
