

### Atlantic Academy Parent Forum Agenda

Wednesday 15th January 2025

Item	Detail	You said	We said/did
Attendance	Issues and Action Plans <ul style="list-style-type: none"><li>Attendance social media strategy</li></ul> Attendance rewards	Could we have an Attendance Student Ambassador, Someone who works with them who has always achieved good Attendance.  Better recognition of good attendance	We will look at how we can embed this across the Academy  We do have regular meetings with students whose attendance drops below specific points to ensure we are offering support with attendance. Our biggest concern is that we aren't always supported in these meetings with parents - they are designed to problem solve together and where meetings have been successful we have managed to support students.  Introduced Attendance Streaks & Rewards for good attendance
Parent Engagement	Parent Breakfast	We offer ample opportunities for parents to engage with the Academy.  Recent celebration of learning events alongside Parent breakfast were positive events and well attended.	We will continue to share and advertise events at the Academy and are pleased with the support we have had by parents.  That we are pleased to see more secondary parent attendance at parent breakfast.
