Primary Homework Expectations

Dear Parents/Carers,

As we begin the Spring Term, I would like to take this opportunity to remind all families of the importance of homework and our expectations for students across all year groups at Atlantic Academy. To support high standards and strong learning routines, all students are expected to complete homework on time and to the best of their ability.

Year 5 and Year 6

- Read for 20 minutes every day and sign your child's reading record
- Maths homework due on a Monday
- Spelling homework due on a Wednesday
- Reading/GPS due on a Friday
- Timetables Rock Stars 5 minutes daily

Persistent non-completion will lead to conversations with your child's class teacher or further intervention from your child's Key Stage Lead in order to establish consistent homework routines.

There is a homework club available once a week where your child's class teacher can support your child with their homework.

If your child experiences difficulty completing any aspect of their homework, please contact the academy as soon as possible so that appropriate support or tailored arrangements can be put in place.

Thank you for your ongoing support as we work together to ensure a positive and successful start to the Spring Term, and 2026.

Yours sincerely,

Miss Frampton

Assistant Principal
