

4th February 2026

Dear Parents/Carers

Our Year 11 students have been working incredibly hard this year, growing in confidence each day as they prepare for their **GCSE examinations**. Their commitment is evident in their **Learning Lab attendance, effective revision in lessons, and engagement in school life**. As we approach their final months of secondary education, we want to ensure they are fully prepared for the challenges ahead.

Final Mock Examinations & Learning Lab Support

To further support our students, they will sit their **final mock examinations over the next three school weeks**. (Please see the letter sent on 30th January 2026) These exams, alongside **after-school and holiday Learning Lab sessions**, will help identify areas for improvement and ensure students are fully prepared for their summer exams.

During the **February Half-Term**, we will be offering additional Learning Lab sessions.

Due to the popularity of previous years we estimate places will fill up quickly. Students will need to sign up in advance to secure their places by completing the following form: [Year 11](#).

Students attending these sessions must:

- ✓ Follow all academy policies and expectations.
Bring their usual daily equipment.
Dress appropriately.
- ✓ Sign in and out at the main reception.

Attendance at Learning Labs will also count towards their '**Passport to Prom**'- an incentive designed to encourage high standards and active participation in school life.

Thank you for your continued support in ensuring our Year 11 students remain focused and motivated during this crucial period. We look forward to celebrating their hard work and achievements in the months ahead.

Yours faithfully,

Ms A Winsborough,

Assistant Principal
