13th February 2026

Dear Parent/Carer

## Re: Local Industry visit

On Tuesday 17th March, Year 6 will be visiting Drumgrange at Southwell Business Park. This is an excellent opportunity for the children to learn about local jobs that are linked to STEM. Drumgrange's primary role is to design, develop and install maritime mission systems technologies. They offer apprenticeships and work experience to local residents and are located on the school's doorstep. During the trip the children will have talks from apprentices, a small facilities tour and an opportunity to programme a robot to go around a maze.

The classes will alternate visiting times and will walk to Drumgrange from school. Narwhal will leave school at 10:00 am and return to school before lunch at 12. Stingray will leave school at 1pm and return to school before the end of the day at 3pm. The children will be dismissed at the end of the day as normal.

Please provide your child with a refillable water bottle to take with them. Both classes will have lunch at school as normal.

There is no cost for this trip. Due to the nature of Drumgrange's products, photographs will be limited.

Please ensure that 'School trip' is consented on Arbor for your child to be able to attend.

Yours faithfully

*N Jones*
