End of Term Letter – Spring Term

Dear Parents and Carers,

As we come to the end of another wonderful term in our Primary phase, I would like to take a moment to celebrate the many achievements of our children and thank you for the continued support you give the school.

It has been a term full of energy, curiosity and commitment to learning, and I am incredibly proud of our youngest learners. These early years of education are so important, and it is clear to see the enthusiasm our children bring to school each day as they begin to build the foundations of their learning journey.

Across the term we have seen fantastic engagement in the classroom and beyond. Children have taken part in a wide range of experiences that help bring learning to life. From exploring earthquakes in science, to adventurous trips to the woods, visits to climbing centres, and exploring the beautiful Tropical Gardens, our pupils have embraced every opportunity to learn through experience. These moments are so valuable in developing curiosity, confidence and a love of learning.

Our school community has also come together through a number of parent events and celebrations. It was wonderful to see so many families join us for activities including the Easter Bonnet celebration and other parent engagement events throughout the term. These moments are incredibly important to us and help strengthen the partnership between home and school that supports our children so well.

I would like to say a heartfelt thank you to our staff, whose dedication, care and creativity make these experiences possible every day, and to our families and wider community for the encouragement and support you continue to show. When schools and families work together, our children truly thrive.

Most of all, I would like to say how proud we are of our students. Their enthusiasm, kindness and commitment to learning during these early stages of their education are a joy to see, and we are very excited to watch them continue to grow in confidence and independence.

Thank you again for being such a supportive and positive school community.

I wish you and your families a wonderful Easter break, and we look forward to welcoming the children back next term.

Warm regards,

Miss M Heppell
