

8th May, 2026

Dear Year 11 Student and Parent,

We are excited for the start of the GCSE and vocational season and for our students to put all their hard work to good use as they sit their exams.

As you will be aware from the study stay schedule that has been shared a full programme of support for students is in place for their final weeks at school. In addition to this, we will be running our very successful Learning Labs again over the half term break by which time the exams will be in full swing! We would recommend that students sign up for all sessions in each of the subjects they study and we thank staff for giving up part of their break to prepare for and lead the sessions.

The timetable for the sessions are below:

	Subject	
	Morning Sessions 9-11	Afternoon Sessions 11-1
Tuesday 26.5.26	English	
Wednesday 27.5.26	Science	Philosophy and Ethics
Tuesday 29.5.26	Geography	
Friday 30.5.26	Maths	Music

[Please fill out and return the form shared here](#) to indicate attendance at the Learning Labs. As per our half term session we anticipate places will fill up quickly so recommend getting your responses in swiftly.

Students attending these sessions must:

- Follow all academy policies and expectations.
Bring their usual daily equipment.
Dress appropriately.
- Sign in and out at the main reception.

Yours faithfully,

Ms Winsborough, Assistant Principal
