## Primary Student Leadership Team

Dear Parents/Carers,

That time of year has arrived when we start to look towards the next academic year and build our new Primary Student Leadership Team.

Your child has been invited to apply to be a member of our Primary Student Leadership Team. We are looking for students who can represent our academy within our school community, showing our academy values: self-worth, engagement and purpose.

The applications will be through a Google Form today, which will be emailed to students to be completed. The applications will close on Wednesday 17th June.

Once the applications are closed, we will shortlist students and invite them to an interview with myself and our current Student Leaders on Thursday 25th June.

I look forward to receiving your child's application and do not hesitate to get in contact through the school website if you have any questions.

Yours faithfully,

Miss Frampton  
Senior Assistant Principal - Belonging
