It will be an excellent event for you to attend and support our students. Events like this are incredibly important in building their confidence, independence, and practical skills in a real-world setting. Your presence will not only make the experience more authentic but also incredibly rewarding for them.

In addition to the Restaurant, there will be an exhibition celebrating students' work through this year in Art and HPQ (the Higher Project Qualification.) The exhibition will be available to all parents, whether booked in for the restaurant or not. This exhibition is taking place in The Bay.

This promises to be a fantastic afternoon of great food, warm hospitality, and a chance to celebrate the hard work and creativity of our students.

We look forward to welcoming you!

Yours faithfully,

Mr M Randell, Deputy Head of Castle Cove House
