16th September 2026

Dear Parents/Carers,

Reception's first topic for this half term is **'All About Me'**.

To help the children explore and share what makes them unique, we would love for each child to create an **'All About Me Box'**. This should be a small box containing a few items that are special, meaningful or important to your child.

Some ideas of what they could include are:

- A family photograph
- A picture of a pet
- Their favourite toy
- A favourite book
- A birthday card or special item from their birthday
- Something in their favourite colour
- A certificate, badge or trophy they are proud of
- Something linked to a favourite hobby or sport
- Any other small item that is special to them

Please ensure that the box and its contents are clearly labelled with your child's name.

Children can bring their boxes into school at any point during this half term. They will have the opportunity to share their box and talk about their special items with their classmates. Once they have shared their box, it will be returned home.

We look forward to finding out what makes each child unique and celebrating their individuality together.

Yours faithfully,

Mr Blanthorn and Mrs Redhead
