Should we, as politicians, shut down all the slums around the world?

AS WRITERS we will be writing character descriptions based on our class novel 'Wonder', writing a non-chronological report based on slums and writing a newspaper article reporting on the devastating facts around slums

AS MATHEMATICIANS we will be focusing on place value with a focus on numbers up to 1,000,000 including ordering, comparing, rounding and roman numerals.

AS GEOGRAPHERS we will be investigating slums around the world and learning what life is like for the individuals who live there.

AS SCIENTISTS we will be exploring the use of forces in our daily lives and investigating when they are useful or not.

AS COMPUTER SCIENTISTS we will be recapping how to keep safe online using different technology. This will include online information, privacy and cyberbullying.

AS SPORTS STARS we will be diving straight in with our Invasion Games unit. Working on our teamwork, ball skills and agility.

AS MUSICIANS we will be listening and appraising Gospel songs, as well as learning how to be a songwriter.

AS CITIZENS (PSHCE) we will be focussing on building healthy relationships.
