12th October 2026

Dear Parents and Carers,

As mentioned during our meet the teacher session, we would like to warmly invite you to join us in school to celebrate the exit event of our Reception topic: **'All About Me'**.

Over the past few weeks, the children have been learning all about themselves and each other. They have explored their likes and interests, where they live, and their immediate families. It has been a wonderful opportunity for them to share their stories and learn more about their classmates too.

To mark the end of this special topic, the children have worked hard to create their very own **audio book**. We are excited to share this with you and celebrate all that they've achieved.

We would love for you to join us on:

Thursday, 15th October at 8:30am
In the Reception Classroom

As part of your visit, we also invite you to take part in a simple and enjoyable activity with your child: **creating a family tree together**. We will provide the materials – you just bring your lovely memories and family knowledge!

This is a great opportunity to spend time with your child in their learning environment and to celebrate their hard work.

We hope you can join us and look forward to seeing you then.

Yours faithfully,

M Blanthorn
